Letter from the Administrators

Letter to 2017 Graduating Seniors from PDSD:

Please accept Dr. Kristen Rex's and my sincere congratulations on completing your Senior year! We want to recognize your hard work that got you to this point in your lives. With the knowledge and skills you have learned from PDSD, you are ready to take on the next challenge – that is, to enroll in the college or university of your choice or to get that first full-time job. Take the time to make use of all of your strengths and take advantage of every opportunity you have to grow, learn and lead.

As you move on with your lives, please remember the teachers and the staff at PDSD who have been honored to be part of your lives – they have also worked hard. Take the time to say "thank you" to them.

Be proud Roadrunners! Make that road through life YOURS!

Sincerely,

Annette Reichman

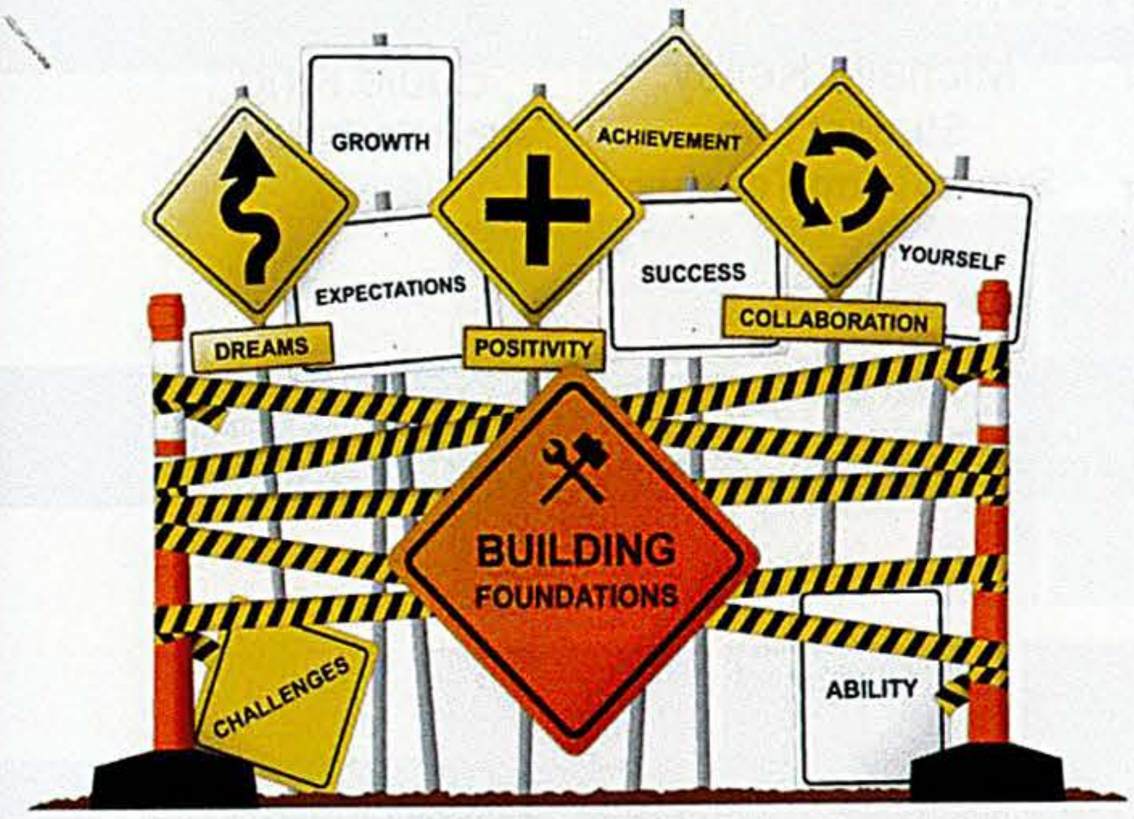
Letter from the Administrators

Students, Families and Staff of PDSD,

2016-2017 was a year geared around Building Foundations. From Lily Tomlin we know that, "The road to success is always under construction!" We continued with efforts we had already begun, yet began to lay new bricks of support as well.

The ASDB agency welcomed our new Superintendent, Annette Reichman, on July 25, 2016. Ms. Reichman has already started to add to the growth and forward progress that the agency has made over the past two years.



Phoenix Day School for the Deaf

We continued our instructional growth through collaborative efforts with Beyond Textbooks and EdOptions. A new CTE program started in a beautiful action lab with state of the art equipment. The outdoor basketball courts received a face lift and a new garden project was planted.

We have been hard at work, building PDSD to the next level. We know that high expectations make dreams come true, with the positive collaborative efforts from each of you! Let's continue to believe in BLUE as we reach for GOLD!

THE Season Begins...

Sports

This year, we had a busy year for the Roadrunners! For the first time in history, our volleyball, football, and cheerleaders traveled to Colorado Springs, CO, CSDB, to play at their homecoming. We also brought back the cheerleading and track teams to PDSD. Our lady roadrunners defended their WSBC and RRC championships and once again brought home the trophy.

The Roadrunner After School Program continued to grow with our elementary students. We presented Wizard of Oz during our Winter play, and included both middle and high school students. It was a hit. Our outside basketball courts got a new makeover, and it looks great! It is being used well during middle school basketball games. We saw more student athletes participating in different sports and activities this year.

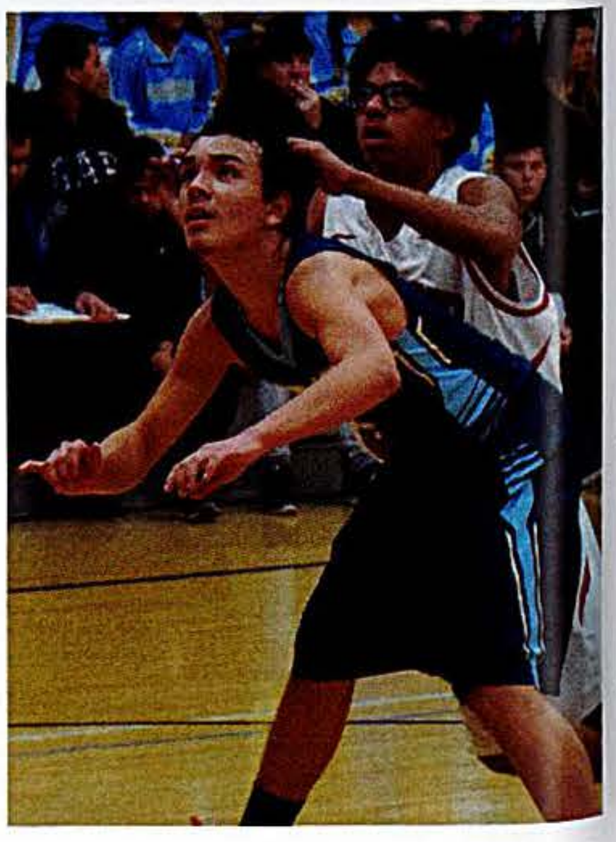
The girls and boys basketball teams, and the academic bowl team, traveled to New Mexico School for the Deaf for the Roadrunner Classic. The academic bowl team did outstanding going undefeated and winning the championship match! The lady roadrunners basketball team also bought home the championship trophy! The boys played their hearts out and got 2nd place. It was always fun to visit the other Roadrunners (NM) and show them what our Roadrunners are made of... great sportsmanship, skill and spirit!



Western States Basketball Classic (WSBC)

The girls and boys basketball teams, and the cheerleading team, traveled to Salem, Oregon to to the Oregon School for the Deaf. The teams played well and worked hard throughout the tournament! The Lady roadrunners basketball team brought home the championship trophy. It was amazing to have the cheerleading team there to cheer on the teams and provide school spirit. The teams had the opportunity to see the Extreme Home Makeover Haunted House building at OSD as well as visit Voddoo Donuts in Portland. Overall, it was a fun and enjoyable weekend!

The Wizard of Oz

For the 2nd year in a row, it has been an amazing experience working on a production here at PDSD. As the director of the Wizard of Oz, it was amazing working with the students who were involved in the production. I was able to watch them grow from being shy in the beginning, then coming out of their shell, to show more of their character and who they are on stage. They were able to show their own personal growth, and their creativity during the production.

We had three successful performances that impacted the whole PDSD community. I want to take the time to say thank you to all who were involved and provided such big support. We are looking forward to the next play next fall.

Who Wants Some Pie???

You may be asking..."Why did our administrators all get pies in their faces?" The answer: Our Freshman class was able to raise enough money (+$300) for our annual Jump Rope for Heart fundraiser.
A big thank you to our motivational administrators and our penny pinching Freshman! ***;-)***
